*Students have the privilege of dropping a class without the class becoming part of their permanent academic record if they do so during the "drop" period. Courses dropped during the drop period automatically receive a 100% tuition refund. The length of the drop period will vary based on the length of the course.

**Students withdrawing from a course after the initial drop period will receive a "W" grade on their transcript that will not affect their grade point average at KC and are not eligible for a refund. A student who does not withdraw from a course during the withdrawal period may be subject to an "F" grade.

Academic Calendars may change due to unforeseen circumstances or events.
