NOTICE OF VACANCY

PROGRAMMER/ANALYST

Kaskaskia College is seeking applications for the vacant Programmer/Analyst position. This is a 12-month, full-time, Professional Managerial position, eligible for fringe benefits. Salary range for the position is $50K to $60K and dependent upon education and experience. Position will report to the Dean of Information Technology who reports to the Vice President of Administrative Services.

Position is responsible for coordinating and providing leadership for the College’s ERP system, Ellucian Colleague, which involves programming, analyzing and managing data resources and problems, and creating and implementing programming solutions to provide strong service to both internal and external customers. The position also provides some technical maintenance of ERP servers and assistance with the support of the College network environment including the security of confidential information from unauthorized access, malicious intent, and other security vulnerabilities. Position requires an Associate’s degree in Information Technology or related field, minimum of two years of related work experience, and knowledge of SQL database environment language. Flexible schedule, including some evening and weekend work is required.

To receive consideration, applicants must submit a cover letter describing how qualifications meet the position criteria, along with a resume, copy of transcripts, official Kaskaskia College Employment Application, and any other qualifying credentials by January 4th, 2015 or until position is filled to the address below. Official Employment Application can be accessed at www.kaskaskia.edu/hr.
