NOTICE OF VACANCY
NETWORK MANAGER

Full-time, Professional/Managerial position, eligible for fringe benefits. Salary range is $50,000 to $55,000 per year. Position will be responsible for coordinating the daily operations of the Information Technology department and providing Tier/Level 3 technical support to the College’s local and wide area networks, consisting of a virtualized environment supporting Windows 2003/2008 servers, SQL, SharePoint, Active Directory, Exchange, Blackboard course management system, and various web services. Flexible schedule, including evenings, weekends, and on-call required.

Position requires Associate degree in related field or equivalent coursework and five years related technical experience supporting an enterprise network, including hands-on experience in supporting a virtual server environment, using VMware ESX and vSphere, along with a willingness and ability to obtain CCNA Cisco certification within one year of hire. Applicant must be able to demonstrate appropriate level of technical skills and strong experience and knowledge of related communications components, infrastructures, and system architectures. Also requires strong teamwork, communication, organizational, and problem solving skills, with the ability to manage multiple concurrent priorities. For additional qualifications, please see full job description at www.kaskaskia.edu. All applicants being considered for hire will be required to submit to a pre-employment background investigation, including a criminal record check.

To receive consideration, applicants must submit a cover letter describing how qualifications meet the position criteria, along with a resume, copy of transcripts, official Kaskaskia College Employment Application, and responses to Initial Application Questions by July 23, 2013 or until position is filled to the address below. Official Employment Application, Initial Application Questions, and Position Description can be accessed at www.kaskaskia.edu/hr.
