TEAS Testing

All applicants to the Associate Degree (RN) and Practical Nursing (PN) programs must take the TEAS test. The TEAS test is owned and administered by ATI testing and administered at a Kaskaskia College campus location. TEAS test results are used to rank students for acceptance to the nursing programs. Applicants to the Associate Degree Nursing program must earn a minimum score of Proficient (58.7) for acceptance consideration. Applicants to the Practical Nursing program must earn a minimum score of Basic (41.3) for acceptance consideration. Applicants may take the TEAS test twice per calendar year with Kaskaskia College. The higher of the two scores will be considered the applicant test score. Kaskaskia Nursing does not use GPA or a point system for acceptance consideration. Students with highest TEAS scores are accepted each term. A maximum of four out of district students may be considered for admission if their TEAS score exceeds or meets the minimum accepted score of in-district students. TEAS test results are valid for 2 years. If the TEAS test is taken with another institution, the applicant must contact ATI testing to request TEAS transcripts be sent to Kaskaskia College.
